RE: **Report on the Status of the Faculty Remuneration Negotiations**

---

The current remuneration agreement expires on June 30, 2017. In a year when an agreement expires, the Joint Committee Agreement calls for a report to be issued to you if a new agreement has not been reached before February 1. Agreement has not been reached and hence this report, which will be very brief.

Negotiations between the Administration and the Faculty Association have begun and are progressing well. There have been numerous exchanges of information leading to clarification of positions with tentative agreement on some issues.

Meetings will continue on a regularly scheduled basis.
